Recipes – Units of Measure (UoM)

Recipes · https://mountainstream.co/docs/recipes-units-of-measure-uom/

- **Book Recipe:** **Each** – that means, when you create Book Recipe, it is by the **Each.**
- **Make to Measure Recipes**: **Kilograms** (app set to Metric) or **Pounds** (app set to Imperial).
- **Baker's Percentage:** **Kilograms** (app set to Metric) or **Pounds** (app set to Imperial).

[A dropdown menu for Recipes UoM displays options: Gram, Metric, Kilogram. A purple callout points to the dropdown labeled "Set Default Metric UoM." The "Recipe type" is set to "Make to Measure.".]
